**RENEWED PETITION UNDER 37 CFR 1.181(a) REQUESTING WITHDRAWAL OF
THE HOLDING OF ABANDONMENT**

Assistant Commissioner for Patents
Washington, D.C. 20231

April 21, 2003

BOX OFFICE OF PETITIONS/PCT

Sir:

In response to the Notice of Abandonment dated November 13, 2002, a copy of which is enclosed, Applicants again petition the Assistant Commissioner for Patents to withdraw the holding of abandonment under 37 CFR 1.181(a).

It is respectfully requested that the Decision dated April 14, 2003 be reconsidered, as the Applicants sole error was a typographical mistake on a postcard and all evidence points to a proper response to the Notification of Missing Requirements.

Applicants responded to the Notification of Missing Requirements in this matter on November 2, 2001. The response was submitted with a check for \$130.00 which was clearly received by the USPTO since it was deducted on February 4, 2002. Further the return receipt

postcard was received, stamped on February 4, 2001, and returned to the applicants. Therefore the applicants did not fail to respond to the Notice of Missing Requirements, as stated in the Notice of Abandonment. The return receipt postcard clearly indicated the submission of a response to the Notice of Missing Requirements. The postcard erroneously itemized an executed assignment instead of an executed declaration. This was a secretarial, typographical error on the postcard only.

The actual response to the Notice of Missing Requirements indicated that an executed Declaration/Power of Attorney form signed by the inventors was enclosed. The check and the Response were received and so should have been the executed declaration mentioned in the Response (see highlighted section).

If the Response were somehow defective, Applicants normally would have a chance to correct it. However, no such chance was provided, as the problem appears to have been that no documents were received by the PTO, not that no declaration was received.

The declaration document had been signed and dated by the three inventors on July 30, 2001 and August 1, 2001 respectively. This date was before the filing of the response to the notice of Missing Requirements on November 2, 2001.

Moreover the corresponding executed assignment had been filed for recordation with the Assignment Office on November 2, 2001, the same date as the Response to the Notice of Missing Requirements. The executed assignment was recorded on February 25, 2002 under reel 012644 and frame 0268. If the assignment was filed and received by the PTO it is clear that the attached document sent in the Response to the Notice of Missing Requirements and noted on the postcard, was not an assignment, and was the declaration stated in the Response.

Please find enclosed copies of the Response to Notice to File Missing Requirements with a signed Certificate of First Class Mail dated November 2, 2001 (1 page), a copy of the filed executed Declaration/PoA (2 pages), a copy of the check for \$130.00, a copy of the Notification of Missing Requirements (1 page), and a copy of the stamped Return Receipt Postcard (1page).

Applicant believes that there was no failure to timely file a proper reply to the Office letter mailed on September 13, 2001. Therefore Applicants again petition the Assistant Commissioner for Patents to withdraw the holding of abandonment.

No fee is believed due. However if any additional fees are deemed to be due at this time, the Assistant Commissioner is authorized to charge payment of the same to Deposit Account No. 50-0552.

Respectfully submitted,
